Property Auction.---On Friday week Sir Francis Pittis and Son sold by auction, under instructions from the administrators of the estate of the late Miss F. I. K. Black, the freehold residence Westminster House, which has for very many years past been owned and occupied by members of this old and much respected family. After keen competition the property was sold for £1950. The Clifford Street Mission Room, which was formerly used as a private school by the late Miss Black, was keenly competed for and eventually changed hands at £360. Also offered at this auction was the small terraced dwelling, No. 11 West View, which, after spirited biddings, was sold for £1010.
