VISITOR'S PATHETIC DEATH. – The death occurred on Thursday night of Miss Ethel Mary Butt, aged 27, who came on a visit at Easter to the house of Mr. W. Alderslade, of Rockleigh, Medina-avenue. Unfortunately she contracted double pneumonia, and after getting through the critical stage satisfactorily she had a relapse. Two operations were necessary for relieving the lungs, one being carried out on Monday and the other on Thursday afternoon. After the latter the patient collapsed at night and died. Much sympathy is felt with the relatives and friends in their very sad loss.
