DEATH OF MR. CHARLES E. LOCK, T.C.

It is our painful duty to record the death of Mr. Charles Edwards Lock, which took place, from typhoid, at his residence, Lynwood, St. John's-road, Newport, on Wednesday night. The deceased had been for some five years a member of the Corporation of Newport, and his death in the very prime of manhood in a distinct loss to that body and the community at large. In the performance of his municipal duties he exhibited an independence, a straightforwardness, and a conscientiousness which won for him the sincere respect of all parties, and the "vacant chair" will be sadly contemplated by his colleagues at the Council-board. In private life the deceased was held in the warmest regard, due to his invariable affability and kindness, and the removal of his genial presence from their midst is deeply mourned by a wide circle of attached friends. The late Mr. Charles Lock was the only surviving son of the esteemed townsman, Mr. Alderman John Lock, J.P., and with him, as well as with the widow of the deceased and every member of the bereaved family, the profoundest sympathy is felt. Before his connection with the Town Council, and while residing at Idlecombe Farm, the deceased was for some years a useful member of the Carisbrooke School Board. He was also a Past Master of the Albany Lodge of Freemasons, a member of the Earl Yarborough Lodge of Oddfellows, vice-president of the Carisbrooke Bowling Club, and connected with most of the social institutions of the town. The funeral will take place at Carisbrooke Cemetery this (Saturday) morning at 11.15. The Town Council and representatives of other bodies have expressed a desire to attend, and it has been arranged that they and other friends shall join the funeral procession at the Cemetery Lodge gate at the time named.
