DEATH OF MR. GUY PINNOCK. – We record with much regret the death, at the early age of 22, of Mr. Guy Harry Pinnock, younger son of Mr. Robert Pinnock, J.P. Symptoms of serious lung trouble having revealed themselves, the deceased, under medical advice, went to Jamaica about 18 months ago. For a time his health showed some evidences of improvement there, but relapses occurred later, and his condition rendering it only too apparent that he was not making any permanent headway his return home was recommended. His father went out to Jamaica in December last, and he and his son were on the voyage to England and were nearing home when Guy Pinnock, who had borne the first part of the passage fairly well, became weaker, took to his berth, and passed tranquilly away in his sleep, the end coming early on Tuesday morning last. The body was brought home, and the funeral takes place at Carisbrooke Cemetery this (Saturday) afternoon, leaving the house at 3 o'clock. The late Guy Pinnock was endowed with great natural abilities, and there can be no doubt, if health and strength had been granted to him, that his early promise would have ripened into a rich fulfilment. Of a nature most affectionate and kindly, he endeared himself to all with whom he came in contact. He possessed all a public schoolboy's love for manly sports, but of late years he was debarred from their active pursuit by physical weakness, and he faced the disability with a beautiful resignation. His death in the flower of his young manhood is sincerely mourned and the deepest sympathy of all is with his esteemed father and the other members of the bereaved family in their sorrow.
